

# Are you a alumn?

Maybe you just like to build robots?!

Team 252 at The Wheeler School (*5-minute walk from CIT & School of Engineering*) is seeking assistant robotics coaches to help our high school students improve their engineering, CAD, and computer programming skills, for this season's FIRST Tech Challenge robotics competition.

Flexible, part-time work with *compensation* available.

Please contact: [DIBLab@wheelerschool.org](mailto:DIBLab@wheelerschool.org)

We are a friendly, hard-working bunch. Join our team!
